

## **Choir update**

**31st July 2008**

**The choir has had a productive start to the year with very good members attendances at rehearsals and full support at our earlier concerts.**

**If you have a look at our [Calendar of events](#) it will be noted that we have a very busy latter part of the year with two concerts at the Perth Concert Hall in two weeks plus our annual "Songs for Fremantle".**

**The PMVC has taken on the project of supporting the Spirit of the Streets Choir, ([follow this link to view more of the PMVC involvement](#)). A project which commenced with "The Big Issue Magazine" and is supported by the Ruah Community Services.**

**Through approaches made by our members we have seen large amounts of funds being donated to the project from a variety of donors and great support being received by members of the Community including their Music Director, Bernard Carney.**

**A series of joint rehearsals have and will take place between the PMVC and the SOS Choir, culminating in the feature concert at the Perth Concert Hall on Tuesday, 14th October 2008.**

**In June we were approached to ascertain whether we would be prepared to support Welsh tenor "Aled Jones" when he visits Perth on his Australian tour. As you can imagine the offer was accepted and now we are working towards the concert to be held at the Perth Concert Hall on October 23rd, 2008.**
