

Choir Update No 1, by Ken Steele

14th July 2008

We are pleased to announce that we have secured the services of Rachel Moorhead as producer for our concert in the Perth Concert Hall in October.

Rachel lectures at the West Australian Academy of Performing Arts and has considerable experience in the production of musical events.

We welcome Rachel on board and look forward to working with her to make the event a enjoyable experience for all concerned.

On the 5th July the Spirit of the Streets Choir and Perth Male Voice Choir commenced their schedule of joint rehearsals. The venue was the Church Hall of St Bridgid's on Fitzgerald Street in Northbridge which is the regular rehearsal venue used by Spirit of the Streets Choir.

The high vaulted roof of the hall provides a wonderful acoustic quality to any performance which makes singing a joy even when learning material which is unfamiliar to the individual choirs.

The whole after noon provided an enjoyable singing experience coupled with the opportunity to socialize over a welcome cup of tea and a sandwich.

The enthusiasm which this generated amongst all who attended was tangible and there was no hesitation in extending the session beyond the intended finish time to enjoy just one more song together.

Both Choirs are still welcoming new members. The Spirit of the Streets Choir rehearses each Tuesday afternoon at 2-3.30 at St Bridgid's Church Hall in North Bridge.

Perth Male Voice Choir rehearse every Wednesday evening at their home base which is the Bob Daniels Community Hall at the corner of Beaufort St and 10th Avenue in Inglewood from 7.30 – 10 pm.

For any further information phone Ken on 9291 7451.
